DETAILED ACTION

1. This action is issued in response to applicant's amendment filed 3/24/05.
2. Claims 1,3,5,6,9,12,13,22, and 25-27 are amended. No claims were cancelled. Claims 28 and 29 were added.
3. Claims 1-29 are allowed.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Steven R. Sponseller on May 20, 2005.

The application has been amended as follows:

Please replace Claim 17 with the following:

17. (Currently Amended) A method comprising:
capturing a first web page from a first financial institution web site;
capturing a second web page from a second financial institution web site;
extracting data from the first web page using a first data harvesting script;
extracting data from the second web page using a second data harvesting script;

Art Unit: 2161

normalizing the data extracted from the first web page and the second web page;
generating a context-specific error code if the data harvesting script fails to successfully
extract data from the web page; and
storing the normalized data in a database.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1,9,12,17,22,25-27, the prior art of record fails to disclose or suggest the claimed provision of: extracting data from the web page using a data harvesting script, normalizing the extracted data with data extracted from other web pages, generating a context-specific error code if the data harvesting script fails to successfully extract data from the web page adapting the data harvesting script based on identified changes to the web page and storing the normalized data in a database, in conjunction with the rest of the limitations in the independent claims, is not taught or suggested, or rendered obvious over the prior art of record or that encountered in searching the invention

The dependent claims 2-8, 10-11, 13-21,23-24,26,28-29, being further limiting to the independent claims, definite and enabled by the Specification are also allowed.

Comments

The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the

Art Unit: 2161

SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

As allowable subject matter has been indicated, Applicant's response must either comply with all formal requirements or specifically traverse each requirement not complied with. See 37 CRF 1.111(b) and MPEP section 707.07(a).

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
